Foundation Stage: Hedgehogs and Squirrels

In Foundation Stage we aim to provide a warm, caring and stimulating learning environment, that nurtures the wellbeing, talents and potentials of each individual child. The Foundation Stage team ensure positive and trusting relationships are built with the children, ensuring that every day is a happy one.

Our curriculum is based on the Early Years Foundation Stage Framework. The Foundation Stage is divided into seven areas of learning. All areas of learning and development are important and interconnected

The Prime Areas are:

Communication and Language

Physical Development

Personal, Social and Emotional Development

The prime areas are strengthened by the specific areas:

Literacy

Mathematics

Understanding the World

Expressive Arts and Design

We value that every child is different and aim to develop their own individual skills and knowledge.
