

## Home Learning Activities

### Year 2

Task one: Can you read and follow the instructions around the map to find where the pirate's treasure is hidden? Put a cross where the treasure is.

(see attachment for map and clues)

Task two: Find some treasure in your house (e.g. a treat to eat, some jewels, coins etc). Go and hide it somewhere in your house or garden. Use your front door as a starting point and write a set of instructions of how to find the treasure. Once you have written them, let another family member have a go at following your instructions to find the treasure.

e.g.

1. Walk forwards along the hall and into the kitchen.

2. Go out of the kitchen door into the garden..... etc
