

At school this week, we are reading the story 'The Train Ride'. Have a go at completing these train related activities. You can also find an animated version of this story on Espresso as well as videos that show what happens on a real train journey.

Imagine you are going on a journey. Draw a picture and have a go at writing a sentence about what you would like to see out of the window.

What numbers can you see? Draw that number of passengers on the carriage behind.
