Year 2: English

This week you have listened to the story Shark Lady, which was about a lady called Eugenie Clark. Eugenie had a dream of what she wanted to be when she was older. She wanted to become an ocean scientist and find out all about sharks. She worked hard and made her dreams come true.

Eugenie Clark

I would like you to have a think about what you would like to do/ what job you would like when you are older. Have a go at acting out what you want to do -to your grown up and see if they can guess.

I would like you to tell me all about what you want to do when you are older:

Please include:

*What you want to do / be?

*What kind of things you would have to do in that role?

*How might you become this?

Please then draw me a picture of you in the job / role you would like.

You could then have a go at role playing that job / role- to get in practice!!!!

When I was a little girl I always wanted to be a teacher. So I have written an example...
