

### Home Learning Activities

#### Year 1 Maths

#### Activity 2

Look at the picture and write some sentences to describe the children using fractions.

*Half of the children in the picture are wearing dresses.*

*Half of the children in the picture are .....*

---

---

---

*A quarter of the children in the picture are .....*

---

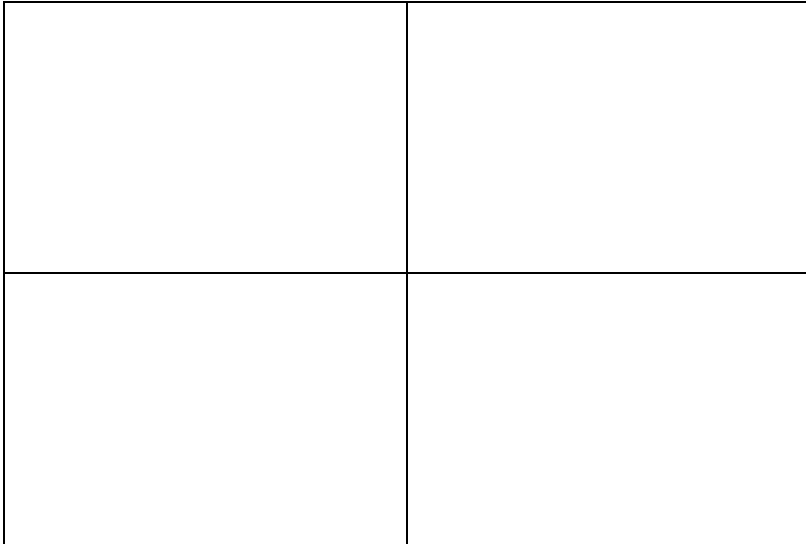

---

---

The children share the lolly pops below equally. Can you cut them out to share with the children? How many do they each get?

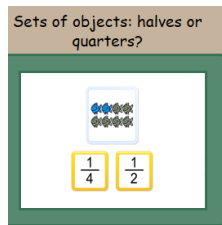

Can you share them into quarters?

A quarter of 8 is .....

Log onto espresso using the school login and complete sets of quarters activity online.

Print off and complete the two quarters activities from the printables section.
