

Ideas for your back garden

Playing tea parties and having Picnics.

Playing with diggers and construction vehicles- you could make your own construction site.

Playing with mud- Make your own digging pit or mud kitchen with any old pots and pans.

Role play- Firemen- You can chalk flames on your fence / wall- Then call the fire service to hose it off!

Make chalk roads / runways etc for small world cars and transport. You can also make tracks with masking tape.

Creating and playing camps.

Planting and making gardens and garden decorations.

Water play- use washing up Bowls and used juice bottles.

Natural materials you could have / collect in your garden for your children to explore and play with.

- *Conkers
- *Pine cones
- *Shells
- *Pebbles / stones
- *Sand
- *Bark
- *Sticks
- *Logs

Making garden soup and smelly potions.
