History in living memory

A member of the local community brought in a commemorative mug that was presented to all children at Thorpe Acre Junior School in 1981 to commemorate the Royal Wedding of Prince Charles and Lady Diana Spencer. We know that children in school have grandparents and other relatives who attended both Thorpe Acre schools. Do you have a relative who received a special mug?

Spotlight on Learning

Year R

The children in Reception have been studying the book Supertato and have created Wanted Posters for the character Evil Pea.

In Maths, the children have been learning about subtraction.

Year 1

The children in Badgers and Woodpeckers have been creating their own characters for a pirate story. They have started a topic on fractions in Maths and have explored ice in Science.

Year 2

Year 2 have been learning about road safety in PSHE. We looked at safe places to cross the road and whether we had any of them in our local community. We then went outside and told Mrs Clarke how to cross the road safely. Don't forget to STOP, LOOK, LISTEN and THINK.

Here is a sample of the lovely King Charles III artwork created by Year 2
