This week the award goes to Badger Class with 97.6% attendance. Well done!

Harvest Donations

We are welcoming donations of in date tinned and dried food that we can give to a local Food Bank. Please bring in your donation/s by Tuesday 3rd October. Thank you.

Grandparents Visit to Y1

Our historians in Year 1 got to find out first hand what it was like growing up in the 1960s. The children gained a lot of knowledge relating to school life, toys, and how children used to spend their free time. Thank you so much to all the visitors who came into school to share their memories of bygone days.

MacMillan Coffee Morning

Thank you very much to everyone who donated such amazing cakes and to everyone who attended this morning's event to raise money for MacMillan. We will let you know in due course how much we have raised.

Spotlight on Learning

YR

The children in YR have been learning about “big and small”, “light and heavy” in Maths. They have listened to the well-loved story We're Going On A Bear Hunt and have been retelling and acting out the story using props.

Y1

Year 1 have done their first big write on the Gingerbread Man- we are very proud of them all. They also had some very special visitors to their History lesson!

Y2

The children have been learning about how we need to import certain fruit as we cannot grow them in the UK. In Science, they have investigated how heating and cooling can change materials and they have been talking about what makes a good friend in PSHE
