Next week's lunch menu is 'Week 2'

Focus Allstar Value – Be Determined

This week, Monday assembly was all about being determined and how it's easy to give up when we face challenges. However, if we all want to learn and be successful then we need to keep trying and show determination! The children recognised that scientists, inventors, musicians, sportsmen and sportswomen have to put in extraordinary effort and be determined to succeed.. It was great to see how two children have been nominated for being determined this week.

Celebrations!

We held our first Allstars Assembly on Thursday 7th September.

Congratulations to the first nominees of the year!

Be proud - George

Be determined – Jacob and Alex

Be kind and caring - Kiah

Be independent - Thomas

Messages for Teachers at Drop Off

Welcoming the children to school in the morning is a very busy time for the staff. If you have an urgent message for your child's teacher, please call into the school office and Mrs Pullen will pass it on. If you need to discuss something that is likely to take some time, please let Mrs Pullen know and we can arrange a mutually convenient time for a meeting.

Our School Rules

At the beginning of the year, it is always helpful to have a reminder of the school rules, which all children are expected to follow.

1. Be ready
 - To learn
 - To listen
 - To share
 - To make a difference
2. Be respectful
 - In the way you use your voice
 - By listening
 - By using good manners
 - In the way you treat others
 - In the way you treat your environment
3. Be safe
 - How you move around the school
 - Your behaviour
 - Using all equipment safely

Outdoor equipment

There have been pre-school children playing on the equipment with no adult in close proximity supervising them. No children should be on the play equipment before or after school. Children at our school know this, as do children who attend the Junior School. Staff are not responsible for the children at these times.

Anti-Bullying update

We are working towards the Anti-Bullying Quality Mark. We have an updated Anti-Bullying Policy, which a group of parents kindly contributed to. This will be published shortly, once it has been ratified by the Governing Body.
