**NEWSLETTER**

**NEW WEBSITE**

In my last newsletter, I mentioned the planned changes to our website.

*We are currently making some alterations and I will hopefully be writing soon to inform you of the launch date.*

In the meantime, if you have not yet enrolled, please download the **WEDUC app** for your phone... **we will be using this more after Easter and gradually reducing the number of letters home.**

**EASTER ASSEMBLY**

Apologies, I had not included this event on the 'COMING SOON' list below.

Each year, as I am sure some of you will know, we hold a special assembly for Easter.

Parents and/ or Grandparents are welcome to join us – if I can ask you to consider **2 members of the family as a maximum please.**

With Easter being early, this will be held on **Monday 30<sup>th</sup> March, at 9am**

**CORONAVIRUS**

Schools and childcare settings are being asked to help by following **guidance from the Department of Education (DfE)**

In order to 'stay well and keep healthy', We already encourage the children to wash their hands regularly and use a tissue if/ when they have a cold.

However, based upon the DfE's recommendations, **we will soon be asking any adults coming in to the school building through the day, to wash (sanitize) their hands.**

**WORLD BOOK DAY**

Yesterday, the focus in school was very much 'the enjoyment of reading'.

The day started with a 'family Fortunes' style quiz, with teams led by Farmer Duck and Hermione! Dressed as familiar and favourite characters, the children then took part in book-based activities through the day, including making reading dens'

*Thank you for getting so involved - it was fantastic to see so many of you in school at the end of the day ☺*

This is the % of pupils attending each day, over the week.
