

Thursday
16th

Dear Parents and Carers,

We have recently been made aware of a couple of near misses with cars in and around school over the last few days. This week's newsletter, is therefore focussed on **'road safety'**.

BREAKFAST CLUB USERS

It is great to see so many children using our daily breakfast club. **Please can I remind all parents/ carers dropping off though, not to use the school car park.** With a number of our families walking in and whilst the main gates are open, it is not safe to have additional cars pulling in and out of the main drive.

PEDESTRIAN CROSSING

A concerned parent also shared recently, that **cars have been parked on the zig-zag lines from/ to the pedestrian crossing.** Obviously this really limits visibility either from a driver or pedestrian point of view – I am aware of how difficult it can be to find parking at the beginning and end of the day but **leaving your car near the crossing could lead to an accident.**

AFTER-SCHOOL CLUB

I think you are getting the theme ☺... but for parents/ carers collecting children finishing at 4.15pm, having taken part in an after-school club, could I ask the same please?... that you do not drive into our main car park.

TEACHER DAY

Tomorrow, Friday 17th November, **school will be closed** to pupils owing to a planned 'teacher training' day.

NATIONAL ROAST DINNER DAY

The winners of our 'National Roast Dinner Day' competition (in response to questions from my last newsletter) enjoyed a roast chicken dinner, followed by blackberry and apple crumble, with their children.

My assembly next week will be themed **BE SAFE – BE SEEN**

Many thanks for your continued support, Mr Clark
