

Year 1 Spring Term 1 – 2025

<p>In English we will learn: Learn, retell and innovate 'Lost and Found' by Oliver Jeffers. We will be writing non-chronological reports about penguins.</p>	<p>In Maths we will learn: In Maths this term, we are focusing on: Place Value within 20 and then 50 Addition and Subtraction within 20</p>	<p>In Science we will learn: Using the knowledge, we gained from last half term to solve scientific problems involving different materials. We will be looking at how our school grounds have changed now that we are in the Winter season.</p>
<p>In Geography we will learn: Learn about the Antarctic environment and begin to compare it with other environments around the world.</p>	<p style="text-align: center;">Our Topic</p> <p style="text-align: center;">Antarctic Adventures</p> 	<p>In PHSE we will learn: Be learning about what money is, where it might come from and that we can use in a variety of ways. We will explore the difference between needs and wants. We will learn how we might plan and save money for later use. We will also be beginning to develop skills in communication and working with others. We will be recognising our strengths, gifts and talents and know how these can contribute to the success of a group task.</p>
<p>In RE we will learn: Learning about Jewish life</p>		<p>In Computing we will learn: Programming robots using our own codes</p>
<p>In Music we will learn: Explore how words and syllables can be used to create rhythms. We will learn some graphic notation and compose simple rhythms in small groups. We will then perform these to the other KSI classes.</p>	<p>In PE we will learn: Learning tag games and playing different invasion games</p>	<p>In D.T. we will learn: Be designing and making a puppet by sewing.</p>
