Multi-sports Event

On Wednesday Oliver, Logan, Marcelina, Maely, Riaan, Hafsa, Ezmae, Aoun and Holly-Grace went to St Botolph's Primary School in Shepshed for a multi-sports event with other children in the Be Skilled group. The children were a credit to our school and were commended for their respectful attitudes and sportsmanship.

Advance notice

To raise money for Children in Need, children are invited to dress up. They can wear something yellow, spotty, or any of the colours featured on Pudsey's eyepatch.

Please do not buy anything new.

Donation: 50p/£1

Drum Masterclass!

We were really lucky to welcome Mr B into our assembly on Monday to tell us all about playing the drums. He showed us what each drum does and sounds like, and then played a piece of music along with Mrs B on the clarinet. All of the children and staff really enjoyed the assembly and we can't wait for him to visit again!

Year R

This week in Squirrels the children have been learning about Bonfire night in literacy. The children listened to a story about Guy Fawkes. We have looked at what people do to celebrate Bonfire night.

In maths, we have been learning about the numbers '4 and 5'. We have looked at different arrangements of the numbers and have had a go at subitising these amounts.

The children have really enjoyed making firework collage pictures, spelling out their name in marshmallows and practising putting on hats, coats, scarves and gloves in our role play area.

Year 1

This week in Year 1 we have been subtracting using part whole model focusing on missing numbers.

In Geography we have been learning the names of the four countries of the United Kingdom and locating where they are on the map.

We have been looking at adjectives in English based on The Gruffalo's Child and comparing to the Gruffalo story.

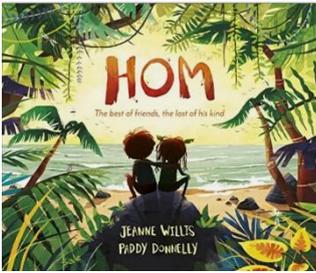

Year 2

In History, they have been learning more about Guy Fawkes and writing key facts about him and why he was important to the Gunpowder Plot.

- Guy Fawkes - also known as Guido Fawkes
- Born April 13th 1570 in York
- He was a Catholic
- He worked with Robert Catesby to plan to blow up the Houses of Parliament with the King inside.
- He knew how to use gunpowder.
- He was caught red handed on 5th November 1605, in the cellar of the Houses of Parliament.

In Science, they read a story called 'Hom' where a boy is washed up on a deserted island and meets a creature called Hom. They live on the island and become best friends so they looked at all the basic things they needed to survive but also what they had that gave them a happy life too, so they could distinguish between needs and wants.

In Art, they have been learning about creating shades by adding black to a colour and making tints by adding white to a colour so that the colour slowly changes.
