Safeguarding Statement

At Thorpe Acre Junior School and Thorpe Acre Infant School, we respect and value all children and are committed to providing a caring, friendly and safe environment for all our pupils so they can learn, in a relaxed and secure atmosphere. We believe every pupil should be able to participate in all school activities in an enjoyable and safe environment and be protected from harm. This is the responsibility of every adult employed by, or invited to, deliver services at Thorpe Acre Junior School and Thorpe Acre Infant School. We recognise our responsibility to safeguard all who access school and promote the welfare of all our pupils by protecting them from physical, sexual and emotional abuse, neglect and bullying.

GDPR Statement

Data will be processed to be in line with our requirements and protections set out in the UK General Data Protection Regulation, Data Protection Act as amended by the Data (Use and Access) Act 2025.

Equality, Diversity and Inclusion Impact Statement

We have carefully considered and analysed the impact of this policy on equality, diversity and inclusion and the possible implications for pupils with protected characteristics. This forms part of our commitment to meet the Public Sector Equality Duty (PSED) requirement to have due regard to the need to eliminate discrimination, advance equality of opportunity and foster good relations with all stakeholders.

The Education and Inspectors Act 2006 and DfE guidance (Behaviour in Schools, 2024) requires the Governors to make and frequently review a written statement of general behaviour principles to guide the Headteacher in determining measures to promote good behaviour. This is a statement of principles, not practice. Practical applications of these principles are the responsibility of the Headteacher.

- All children, staff and visitors have the right to feel safe at all times at school
- Thorpe Acre Infant and Junior Schools are inclusive schools. All members of the school community should be free from discrimination of any sort (in accordance with the Equalities Act, 2010). Measures to protect children should be set out in the Behaviour and Equality policies
- The school rules should be clearly set out in the Behaviour Policy and displayed around school. Governors expect these rules to be consistently applied by all staff
- Governors would like to see a wide range of rewards, consistently and fairly applied in such a way as to encourage and reward good behaviour around school
- Sanctions for unacceptable/poor behaviour should be known and understood by all staff and pupils and consistently applied
- It is recognised that the use of rewards and sanctions must have regard to the individual situation and the individual student and the Headteacher is expected to use their discretion in their application. Sanctions should however be applied fairly, consistently, proportionally and reasonably, taking into account SEN, disability and the needs of vulnerable children, and offering support as necessary
- The Governors strongly feel that suspensions and exclusions, particularly those that are permanent, must only be used as the very last resort
- The Governors expect pupils and parents to cooperate to maintain an orderly climate for learning
- The Governors wish to emphasise that violence, threatening behaviour or abuse by pupils or parents towards the school's staff will not be tolerated. If a parent does not conduct himself/herself properly, the school may ban them from the school premises and, if the parent continues to cause disturbance, he or she may be liable to prosecution
- The Governors expect the Headteacher to include guidance on the use of reasonable force, within the Behaviour Policy.
